Design & Printing : **fectus** creative +91 9836007756

Comprehensive sports education program by integrating curriculum, equipment, trainers, assessment and professional management for larger and active participation.

PLANNED, SEQUENTIAL & PROGRESSIVE approach ensure that each child is actively engaged in HIGH QUALITY PE & SPORTS PROGRAMS. The program significantly enhances children's fitness levels and greatly improves the overall concentration, commitment and self-esteem; leading to higher attendance, positive behaviour and attainment.

## program structure planned. sequential. progressive.

### Physical Education Program

**Kinder PE** **Prime PE** **Senior PE**

Physical Education program for children covering Kindergarten, Primary and High School. Each module is designed to develop age-specific physical attributes and learning objectives. Children are assessed periodically to track their progress from Basic to Mature and Advance levels.

### Athletics Program

Athletics build the foundation for all sports. The Athletics Program covers various age groups viz. 7-10 yrs, 11-14 yrs and 15-16 yrs. The key focus is to develop skills in Sprint, Hurdles, Long Jump, High Jump, Shot Put, Discus Throw, Javelin Throw, Triple Jump and Long Distance Run. The program is implemented with periodic evaluation process.

### Sports Program

Football Cricket Tennis Baseball Basketball Rugby Frisbee Volleyball

The Sports Program is developed specifically to impart coaching across multiple age groups. Coaching Levels : **Basic - Intermediate - Proficient**

## children are constantly on the move. why ?

- As children grow, they learn to move. Children learn through movements.
- Movements teach children :  
Action-Reaction  
Self-Expression  
Advanced Motor-Skills  
Mental Alertness
- Movements become automatic for children through :  
Learning Opportunities  
Diligent Practice  
Guidance During Practice

## what will the program address ?

- Cognitive Development
- Physical Development
- Psychomotor Development
- Affective Development

## program implementation

- Program seamlessly integrated with the school system
- A unique 'responsive curriculum' based on children's participation & progress
- Age and skill specific props and equipment provided by Sportify
- Professionally trained trainers for on-ground program implementation
- Periodic assessment and report card for each child to track the progress
- Online platform with log-in credentials for program quality index
